SCOTTISH CHAMPIONSHIPS

The Scottish Championships were a great success and had great support form all the Instructors and student.This was the first time so many schools were represented form south of the border and everyone had made a special effort to raise money for charity.Even with the great response with the hire of the hall,medals etc, and some damage to mats that we were charged for,the event did not raise as much as we had noped for, therefore it has been suggested that every school try and riase £100 so we are able to had over a much healthier cheque.Please don't put this to the back of your mind as you could also get a lot of publicity for your school by sponsored events such as sponsored kicks,press ups and sponsored sparring.All monies to be sent to the treasurer Mr Dunbar.
