최홍희

choi hong hi

GEN. CHOI HONG HI
Founding Father of Taekwon-Do

The **COUNTRY of the YEAR AWARD** goes to a country which has been outstanding in hosting events, recruiting new members and helping the underprivileged. Our many congratulations go to **POLAND**. You can read all about it in the ITF magazine **GENERATION 2nd**. Issue, which is now available for plaque holders.

<ITF>

The **Preliminary Schedule** for the World Championships in Quebec in

May 2007 is included with this newsletter.

<ITF>

A **thesis** on Cross Training is enclosed with this newsletter. It was sent by Chelsea Stone as her thesis for 4th. Dan. Please note that the ITF reserve the right to publish any thesis sent in.

Note that the views expressed are not necessarily those held by the ITF. The article is for discussion

only and if you have any points of view then please send them to the Secretary General.

<ITF>

Honorary certificates may be applied for through your NA. The application should include the CV of the person with the reason for wanting to give an honorary certificate along with the normal application form for black belt certificates.

<ITF>

To qualify for an **Umpire "A"** certificate you must first have had an umpire "B" certificate.

A **small photograph** should be sent with the application for Umpire "A" certificates. If not then the card will be sent back without photo and you will have to affix a photo yourself and seal the card in plastic.

<ITF>

Please do not **staple photographs** to your certificate applications and please write the name on the back of the photos and put them in an envelope. You should also note that only a small photograph (2cm x 2cm), **only one**, should be sent. Do not send large photos as it is ridiculous to fit them to the small card. If you send large photos then there will be no photo affixed to the card.

<ITF>

We remind you that if you are **visiting other countries** for TKD purposes that you must inform the ITF before you go. This applies to everybody. It does not apply to going on official ITF seminars.

<ITF>

If you do not have an international instructor certificate then you are **not entitled to wear the black stripes on the shoulders of your dobok jacket.**

<ITF>

Top Pro can supply you with **embroidered black belts.** Ask them for details.

<ITF>

The regulations about NA/ANA cooperation have been approved.
